The Heritage Difference

Heritage Cruises was built to reinvent Vietnamese cruising, based on the many years of experience of the Luxury Travel group

Unique Features

HERITAGE:

Your guests will experience our country's culture in a boutique concept of intimacy and personalised service. Every detail has a story to tell, from architecture, cuisine, art pieces, designer uniforms, music, beverages and much more

PRIVACY FOR GROUPS:

Our 2 restaurants can be privatised even during regular cruising days, as well as spaces where they can gather without disturbing other guests nor being disturbed

Wine Cellar and Lounges where couples can retreat for special occasions (Honeymoon, Anniversaries, Proposals)

Singular, unique art everywhere! Guests have the chance to experience some of Vietnam's most impressive pieces of fine art - even in their rooms

ITINERARY:

Away from the Halong crowds. The Cat Ba region is still less visited and equally beautiful. Besides, Hai Phong is closer - meaning guests can spend more time on tours, and less time on the road

Heritage Cruises has the strongest and fastest engines in Halong, allowing us to reach further and into more secluded destinations
